Single-family house project for sale in Felanitx.

This is a project with a license for the construction of a modern and functional three-story house with a patio and pool.

On the ground floor we find a garage, kitchen open to the living room and access to the patio with pool.

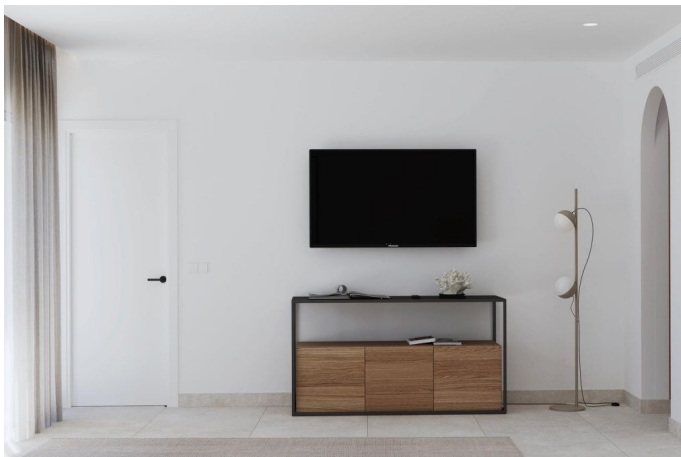

On the first floor there are two bedrooms with an en-suite bathroom and dressing room.

On the second floor is the master bedroom with an en-suite bathroom, a dressing room and a beautiful terrace.

The estimated construction time is 18 months and it will be made with top quality materials and will have central heating, underfloor heating, air conditioning with aerothermal...

Felanitx is a typically Mallorcan town located in the southeast of the island and you can enjoy all kinds of services and a cultural and leisure offer throughout the year, as well as its large weekly Sunday market.

A unique opportunity to live all year round, as well as to spend the season. It has a privileged location very close to beautiful ports, beaches and coves, such as Portocolom, Cala Santanyí, Portopetro, Cala Dor, es Trenc...
